

## CAMPUS MINISTRY OFFERING

Imagine for a moment that your future pastor, your future civic leaders, the future teachers of your children and grandchildren, our future farmers, doctors, bankers and researchers are all studying on our college campuses today. During this highly formational time in their lives, we (the church) have an incredible opportunity to shape their spirituality and faith during through support of our campus ministries.

Today as part of our offering, you are invited to make an investment in the lives of our young people. Your contribution will help campus ministries provide life changing ministry to students beyond our local church. You are invited to use the offering envelope to make a gift that invests in the future leadership of our church, our Indiana communities and our world. Thank you for your support of our young people.
